CERTIFICATE OF PARTICIPATION

Paraskevi Mega participated during the academic year 2020-2021, in WOMENTORS, a program that offers holistic empowerment to young women. In this context she completed successfully the 30 hours empowerment seminars.

WOMENTORS is being implemented under the Active citizens fund and aims at the empowerment of young women through education and capacity building to enhance their participation, decision-making, power and action, so that they take full control of their lives in relation to their economic activity, the public/political space at their disposal, the harmonization of work with personal time, the safeguarding of their rights at work and in all areas of their life and their health.
